## Giving Guide

There are multiple ways to collect donations and inspire support.

- **Have members give directly by check or on-line. QR codes in the materials already go to a special donation page for Wesley College Day. We can also provide information on giving by check.**
- **Take up a collection on Sunday morning. You can have church members give to the church using your normal channels and send one check to Wesley College Foundation.**
- **Have a small group competition. Let Sunday School classes set their own goals and see who can raise the most.**

**We hope this is a joyful day of celebration for you all!**

“After [Wesley College] I felt the calling to reach everyone. So I see there is extra strength in God and the education God gave me to do His work.”
